

RJL Aviation
14895 Pioneer Trail
Eden Prairie, MN 55347

Description

RJL is seeking a candidate for a Pilot in Command position to join our flight department. We are a 3 pilot FAR part 91 operation flying for a HNWI. While most of the flying is domestic you will need to be able to operate internationally. The department has been established for 10 ½ years and we are currently operating a Falcon 900LX out of our own hanger at KFCM.

Positon Summary

- Prepares and ensures the safe and efficient operation of company aircraft in accordance with FAR's and company SOPs
- Coordinate all aspects of assisting in managing a flight department with company personnel
- Participates pro-actively in the Flight Department's SMS manual

Compensation

- Compensation based on experience and most recent NBAA Jet IV numbers
- Comprehensive benefits package to include medical, dental, vision, 401k, life insurance, STD and LTD
