The cost of becoming an aviation professional is increasing. Because of the high cost of securing an aviation education, fewer men and women are choosing aviation as a career. To support the initiative to keep more women and men in Business Aviation, The Minnesota Business Aviation Association (MBAA) is offering scholarships to students currently enrolled in a two- or four-year curriculum with plans that would lead to a career in Business Aviation. Over the past nine years, the MBAA has awarded financial support, technical scholarships, and flight training scholarships as well as the Gordon Hoff Achievement Award to more than 45 aspiring Aviation Professionals. We continue to solicit your support with several options.

## Tournament Format & Regulations

The tournament will be set as a four-person, best ball scramble. Since there is no conceivable way to monitor all groups, we ask that scoring be reflective of your “true” score. We are playing for charity. The following basic rules will apply to the 18 holes of play:

- Men must hit from the standard, or 3rd farthest tee box on all holes, regardless of handicap.
- Women may choose to hit from the ladies tees, or from the standard tee box.
- Each person must use **at least 3 drives** from the tee box, no exceptions.
- Normal rules of golf, and those particular to this course will apply. Please obey all hazard and out-of-bounds markings.
- Players will choose the best, or most suitable, ball to strike from the tee, keeping in mind each player’s drive must be used at least 3 times. Each successive player may then “drop” their ball within two club lengths of the best shot for their next shot, dropping no closer to the pin from the original ball placement. A Ball in the rough must stay in the rough after drop. This will continue to the green where each person will putt, if necessary, from the best ball location on the green.
- The score for each hole will reflect the number of shots to make it into the hole after using the best-shot choice.
- There will be a men’s longest drive, women’s longest drive, longest putt, and closet to the pin contest for prizes to be given away at the banquet. Players that make the best or longest shot on these holes will mark their name on the card provided at the hole, or on the fairway.
- We ask all golfers to respect the golf course attendants and workers.
-
