

2022 Gordon Hoff Achievement of Excellence in Maintenance

Minnesota Business Aviation Association

The Minnesota Business Aviation Association has been an advocate for business aviation since 1955 with over 600 current members from all different aspects of our industry. We are committed to supporting current and future leaders in business aviation and want to ensure we retain talented and dedicated professionals for years to come. The MBAA is proud to offer The Gordon Hoff Achievement of Excellence in Maintenance Scholarship to a student who shows strong commitment to pursuing maintenance careers within Business Aviation.

Scholarship Opportunity

This year, the MBAA will be awarding one (1) \$7,500 aircraft maintenance training scholarship. The scholarship is intended to help a student seeking a maintenance career in business aviation with their education and training expenses. Scholarship funds will be paid directly to the recipient or school at the sole discretion of the MBAA. The recipient will be strongly encouraged to attend the award presentation in August 2022.

Scholarship Eligibility and Requirements:

- Completed '2022 Scholarship Cover Letter' (found on the MBAA scholarship website)
- Copy of your current resume
- Copy of official transcript from current/previous college or university
- Copies of all FAA ratings or certificates held (if applicable)
- Minimum of 1 year of education towards an 'Airframe and Powerplant' Rating
- A 250 to 500-word essay describing the applicant's previous background, current involvement, and demonstration of their commitment to pursuing a professional career in business aviation.
- A letter of recommendation from a member of the aviation department faculty (for students) or relevant professional contact. (Other than relatives or students)
- Preference will be given towards Minnesota residents/students followed by that of surrounding states.
- Scholarship applicants will be interviewed (by phone or in person) by representatives of the MBAA no later than July 22, 2022.

Please complete the above requirements and submit your application package by no later than June 17, 2022 by mail or email to the following:

Minnesota Business Aviation Association
