

Churchill Industries is seeking a professional, experienced and energetic PIC to join our team of professional aviators. We operate one Gulfstream 280 with four pilots from STP to destinations all around the globe. Our operation maintains an IS-BAO Stage 2 compliance with a strong emphasis on teamwork.

### **Duties and Responsibilities**

- ) Responsible for the safe operation of Corporate Aircraft throughout all operations, while adhering to FAA regulations, Aircraft Flight Manual, Company Operations Manual and Standard Operating Procedures.
- ) Responsible for flight planning, monitoring weather, navigation and airspace limitations
- ) Act as the final authority on his/her aircraft with respect to all areas of operation including the compliance with all applicable safety and regulatory guidance.
- ) Responsible for properly communicating any maintenance abnormalities or discrepancies to the company Director of Maintenance.
- ) Ensures aircraft manuals and international travel documents are compliant with company policies and worldwide customs requirements.
- ) Maintains currency on aircraft type and all the Corporate Aircraft training requirements as described in the Company Operations Manual.

### **Qualifications**

#### **Required:**

- ) 2,500 hours total flying experience with at least 1,000 hours at the controls of a fixed wing, turbojet aircraft.
- ) Airline Transport Pilot (ATP) certificate, (Airplane Multi-Engine Land)
- ) FAA First Class Medical Certificate
- ) Must have a valid United States passport and be able to travel internationally without restrictions
- ) Must have a valid State driver's license.
- ) Five years of professional pilot experience
- ) Bachelor's Degree from an Accredited Institution

- ) Effective communication including the ability to read, write, fluently speak and understand the English language.
- ) Must be able to work flexible schedules and demonstrate the ability to adjust to rapid changes.
- ) Must be able to work varying hours including day and night; weekdays, weekends and holidays.
- ) Must be service-oriented with a neat, well-groomed appearance and a demonstrated ability to make a positive impression including a strong capability to effectively interact with passengers.
- ) Possess basic computer skills, including but not limited to Microsoft Word and Excel.
- ) Ability to lift a minimum of 50 pounds.

**Preferred:**

- ) International Flight Experience
- ) One or more Type Certificate

**PLEASE SEND ALL RESUMES TO**
